UTILITIES BOARD

IN RE:  U.S. COENERGY SERVICES	DOCKET NO. CGP-01-6
	CERTIFICATE NO. G-0003

**CERTIFICATE TO PROVIDE LARGE VOLUME SERVICE**

(Issued August 31, 2001)

On June 1, 2001, U.S. CoEnergy Services, a partnership, (U.S. CoEnergy) filed an application requesting the issuance of a certificate as a competitive natural gas provider (CNGP) by the Utilities Board (Board). The Board's rules at 199 IAC 2.2(18) and 19.14 establish the filing requirements for the issuance of a certificate. On June 5, 2001, the Board notified U.S. CoEnergy that the application was complete and the 90-day review period had begun.

The Board reviewed the information provided by U.S. CoEnergy and is issuing an order concurrently with this certificate approving the application for a certificate. U.S. CoEnergy stated that it only intends to provide service to large volume customers, and so this certificate only authorizes service to large volume customers as defined in 199 IAC 19.14(1).

Iowa Code § 476.87 requires that a competitive natural gas provider or aggregator must reasonably demonstrate managerial, technical, and financial capability sufficient to obtain and deliver the services it proposes to offer. The Board

in 199 IAC 2.2(18) and 199 IAC 19.14 established the filing requirements for a CNGP to obtain a certificate. Based on a review of U.S. CoEnergy's application, the Board found that U.S CoEnergy satisfied the requirements of section 476.87. Additionally, the Board found that no additional conditions should be placed on the certificate.

**IT IS THEREFORE ORDERED:**

This certificate as a competitive natural gas provider, issued pursuant to Iowa Code § 476.87 (2001), authorizes U.S. CoEnergy Services, a partnership, to furnish natural gas services as a marketer or aggregator to large volume customers in Iowa.
